

Baby Dedications

When a child is born it is a joyous occasion. Mount Calvary rejoices with you in your decision to dedicate your child back to God. In Psalms 127:3 states "Lo, children are an heritage of the Lord: and the fruit of the womb is his reward". During the baby dedication ceremony parents will be challenged to raise their child in a Godly manner and ask for God's blessings upon that child's life. As Hannah prayed for a child and when God gave her a son she promised to dedicate the child back to God and made a vow (I Samuel 1:11), we follow the same practices.

If a parent makes a decision to dedicate their child, a request will be made in writing for availability. Once the request is received the Lead Ministry Coordinator with coordination of the Lead Pastors Executive Assistant will schedule a time for the dedication to be conducted. All baby dedications will commence on the third (3rd) Saturday of each month, and prior to the dedication ceremony the parents will attend one Advisory Session to be provided with intricate details regarding the decision of dedicating their child.
